Imhotep : File naming structure

We are using a camelcase structure each new words starts with a Capital Letter.

If the item does not have a Brand associated with it then use your best judgement and pick from the following

Misc
Equipment
Prop
Staging
Roofing
LoadingBay
Foyer
MainArena
Lighting

Folder Name

If the Item has different colours then add an additional Alb texture for each item

Folder name should be:
BrandName_ItemName

Final Models

BrandName_ItemName_LOD0.FBX

Collision

BrandName_ItemName_Collider.FBX

Textures

BrandName_ItemName_Alb.PNG
BrandName_ItemName_Alb-Colour.PNG (if there is additional colours)
BrandName_ItemName_Nrm.PNG
BrandName_ItemName_PBR.PNG
BrandName_ItemName_Emis.PNG

Unity Material

BrandName_ItemName_Mat.mat

Smart Material

BrandName_ItemsName.spsm

Decals
